Hiring Manager

Dear Hiring Manager,

I am writing to express my interest in the position at the company. As an Information Technology student completing my degree in January 2026, I bring foundational knowledge in cybersecurity, IoT, and Linux systems, along with demonstrated adaptability in fast-paced work environments.

My recent achievements include:

- Cisco Cybersecurity Certification (2024) - Threat analysis and mitigation strategies
- IoT Certification (2021) - Digital transformation applications
- NDG Linux Certification (2021) - Command-line proficiency

As a detail-oriented team player, I've developed strong problem-solving skills through both academic projects and retail/cleaning roles where I consistently met operational targets.

I would welcome the opportunity to discuss how my technical foundation and work ethic could contribute to your team. Thank you for your consideration - I'm available at your convenience for an interview.

Sincerely,
Khanyiso Vabaza
